

12th SETAC Europe Special Science Symposium | 10-12 May 2016

**Risk mitigation measures, risk assessment and labelling in the EU 28:
Introduction to the MAGPIE toolbox**

Day 1		
10:00-10:05	Welcome	Bart Bosveld, SETAC Europe
10:05-10:15	Introduction	Wolfgang Reinert, European Commission, Belgium
10:15-10:35	Objectives and regulatory context of risk mitigation measures applied to pesticides	Wolfgang Reinert, European Commission, Belgium
10:35-10:55	Process of identifying relevant risk mitigation tools for the toolbox	Anne Alix, Dow AgroSciences, UK and Véronique Poulsen, ANSES, France
10:55-11:15	Feedback from a country: Experience in implementing risk mitigation measures in Switzerland	Katja Knauer, Federal Office for Agriculture, Switzerland
11:15-11:30	Coffee break	
11:30-12:30	Tools to reduce risks related to transfers to ground water, including drainage transfers: <ul style="list-style-type: none"> • Presentation of the risk mitigation toolbox • Link with risk assessment • Proposed labelling • Discussion (30 min) 	Gerhard Goerlitz, Bayer CropScience, Germany and Colin Brown, University of York, UK
12:30-13:30	Lunch	
13:30-15:00	Tools to reduce risks related to transfers via run off: <ul style="list-style-type: none"> • Presentation of the risk mitigation toolbox • Link with risk assessment including recommendations on the use of multiple measures to mitigate risks • Link with risk assessment including recommendations on the use of multiple measures to mitigate risks • Proposed labelling • Discussion (30 min) 	Volker Laabs, BASF, Germany and Colin Brown, University of York, UK
15:30-16:00	Coffee break	
16:00-17:30	Technical options to reduce spray drift for the protection of the aquatic and terrestrial habitats <ul style="list-style-type: none"> • Presentation of the risk mitigation toolbox • Link with risk assessment including recommendations on the use of multiple measures to mitigate risks • Proposed labelling • Discussion (30 min) 	Neil Mackay, Dupont chemicals, UK and Colin Brown, University of York, UK
17:30	General discussion and feedback from the audience	Chair

12th SETAC Europe Special Science Symposium | 10-12 May 2016

**Risk mitigation measures, risk assessment and labelling in the EU 28:
Introduction to the MAGPIE toolbox**

Day 2		
9:00-10:30	<p>Risk mitigation for wildlife in-field:</p> <ul style="list-style-type: none"> • Presentation of the risk mitigation toolbox • Link with risk assessment • Proposed labelling • Discussion (30 min) 	Véronique Poulsen, ANSES, France and Alexandru Marchis, OPERA Research, Belgium
10:30-11:00	Coffee break	
11:00-13:00	<p>Risk mitigation for wildlife off-field:</p> <ul style="list-style-type: none"> • Presentation of the risk mitigation toolbox • Link with risk assessment • Proposed labelling • Discussion (30 min) 	Burkhard Golla, Julius Kühn-Institute, Germany and Anne Alix, Dow Agro-Sciences, UK
13:00-14:00	Lunch	
14:00-16:00	<p>Case study to go through the following aspects:</p> <ul style="list-style-type: none"> • Work on the conclusions of the risk assessment for an active substance where risk mitigation measures are recommended for several sections • Identification of the issues to be solved and possible recommendations as regards risk mitigation measures • Identification of multi functional risk mitigation measures • Identification of needs for post registration data 	
16:00-16:30	Coffee break	
16:30-17:30	General discussion on the case study	
17:30-18:00	Conclusions and introduction to farm visit	

Day 3	
08:30-09:30	Departure from Marivaux Hotel
09:30-09:45	Welcome coffee and fruit juice
09:45-13:00	Farm visit where practical implementation of risk mitigation measures will be shown
13:00-14:30	Aperitif, BBQ lunch & dessert
14:30-15:00	General discussion and feedback of the audience
15:00-16:00	Travel back to Marivaux Hotel
